第 三 問 次の英文は中学校の英語の授業でグループディスカッション（討論）を行っている場面の一コマです。この英文を読んで、あとの問いに答えなさい。

Mr. Tanaka: We'll do a group discussion today. The topic is "Where do you want to go on a school trip, somewhere in Japan or a foreign country?"

Shin: I want to go to a foreign country! It will be so much fun. How about you, Misato?

Misato: I think so, too. I want to go to America or Australia. It will be a great experience for us. And I think we don't have to go to places in Japan on a school trip. We can plan a trip to places in Japan with our family and friends.

Ken: I don't want to go to a foreign country. There are many places in Japan that I haven't visited before. I want to see those places first to learn about Japan.

Rika: I agree with Ken. I want to go to foreign countries, but not on a school trip. One of the reasons is that we will have to be on schedule. If I go to a foreign country, I want to enjoy ①the place. I don't think I could enjoy it if I have to work with a tight schedule.

Shin: We will also have to be on schedule if we go to places in Japan. When you go somewhere with many people, you have to do that.

Ken: What about the cost? Going to a foreign country is more expensive than going to a place in Japan.

Misato: Well, it's true that a trip to a foreign country is more expensive.

Rika: Also, you will (②費やす) much more time traveling.

Ken: My cousin went to America to learn English. He ③(questions / was / he / that / many / asked / said) about places in Japan by his host family or friends. He couldn't answer some of the questions well, so he started to visit many places in Japan after he came back from America. He told me that there are so many beautiful places that I should visit.

Shin: But we can learn a lot about Japan anytime. As Misato said, it's easy to plan a trip to places in Japan with our family or friends. A school trip is a special event. I want to make the best memories with my classmates, so I think going to a foreign country is a good idea.

Rika: I see. You are right. A school trip is a special event for us.

Misato: I realized an important thing after (④) this discussion with you.

Ken: What is it?

Misato: We can make the best memories in Japan or a foreign country. The most important thing when you go on a trip is people. I will have so much fun on a school trip with my amazing classmates like you!

Shin: You are right, Misato! That's the most important thing!

Everyone: We'll have a great time on our school trip!
